Vision Statement

Our vision is to secure a future where all people with intellectual and other developmental disabilities are respected as full members of communities that embrace and celebrate the diversity of all people by connecting them with opportunity.

WWAARC is a chapter of The Arc New York and is closely governed by the Office for People with Developmental Disabilities (OPWDD). WWAARC operates the following programs:

Residential Programs

WWAARC operates residential programs throughout Warren, Washington & Albany Counties. We provide supports for people who have an intellectual and other developmental disability. Supportive Living Program (SLP)

SLP currently provides supports to people in apartment settings in Warren, Washington and Albany County. Currently we have approximately 14 apartments in Albany County and approximately 15 apartments in Warren & Washington Counties. These apartments provide residential supports to approximately 30 individuals. We assist people to live as independently as possible with the amount of staffing supports that suit their personal needs. We support people in many areas including: finances, banking, medical needs, grocery shopping, cooking, cleaning, accessing public transportation and offer a wide array of social opportunities.

Family Support Services (FSS)

People are provided with the opportunity to fully participate in their community. The people we support plan day-to-day activities and increase their awareness of what their community has to offer. The people in this program also do volunteer work in the community. Activities are tailored to the needs of each person, to create an environment in which people can enjoy life's experiences to the fullest.
